Date.....01/10/2020.....

Dear Shri Shukla Ji,

This is with reference to your letter number GBU/STD/2020-21/60 dated: 8<sup>th</sup> September, 2020, regarding "Strengthening the linkages between DST, Govt. of Gujarat and DBT, GOI for initiating various programs at Gujarat Biotechnology University (GBU)".

DBT-JRF and DBT-RA are open Programs/schemes for all the Indian institutions for providing R&D training. GBU may notify on it's website for providing the R&D facilities to DBT-JRF and DBT-RA so that fellows can opt GBU as research centre for career development. The guidelines for DBT-JRF and DBT-RA programmes are enclosed for your ready reference. Regarding admission to M.Sc. Programs through GAT-B, GBU may apply for DBT support under PG teaching Programme of DBT in next cycle of Call for proposals. The Call is expected to be issued next year.

GBU may keep track of announcements for call for proposals which are announced from time- to-time on DBT website (<http://dbtindia.gov.in/latest-announcement>) and may apply accordingly. I am sure that the linkages between GBU and DBT would strengthen in near future and would lead to significant outcomes in areas of Biotechnology.

With regards,

Yours sincerely,

(Meenakshi Munshi)
